

Student Excess Baggage Policy

SEC students are entitled to bring with them the allowable baggage allowances as stipulated by the carrier to which they have a flight booked upon when coming to SEC or departing SEC. As the carrier may change their allowable allowances, SEC maintains to use these allowances as our guide and will not accept any charges in excess of these allowable allowances.

SEC will ensure all carriers are aware of this policy on a yearly basis, and will not pay for any excess charges.

SEC will ensure that parents and students are made aware of this policy yearly, and that any updates to the allowable baggage allowances are communicated.

SEC is not able to accept additional costs for excess baggage for students. These costs do not form part of the annual budget allotments.

Students attending SEC are encouraged to leave items if returning to SEC in the future to allow for extra items home during flights. SEC has a secure storage facility, however maintains that we are not responsible for lost or stolen items.
