

Student Selection for Admissions

The Director/Principal shall make the final decision on what students shall be accepted at Southeast College.

The Director/Principal shall not be pressured by any educational authority to accept students that do not meet or exceed the expectations of the school requirements.

Board Members shall not use their affiliation with Southeast College to influence the choices made by the Director/Principal.

Adoption Date: October 28, 2014

Revision Date: March 9, 2016
