Each year, the students look forward to their Graduation celebration for all their hard work and effort to receive their diplomas. This school year has been like no other year; we challenge ourselves to be the best of the best and to roll with it! I am very proud that 26 Graduates have complete their graduation requirements for Manitoba Education and will move on to the next chapter in their life journey. Southeast Collegiate Board of Directors and Staff have supported, mentored and encouraged our students “If you can see it; you can be it!” We believe in our young people and will continue to nurture each and every student that attends Southeast Collegiate to their fullest potential! All the best the June 2021 Southeast Collegiate Graduates and may all your hopes and dreams come true!
